LEGAL REQUIREMENT. All Contracts of Sale for real property in the State of Maryland are required to be in writing to be enforceable. You have the right to have legal counsel review all documents and represent you. The Broker/agent is required to submit all written offers to the seller. An offer to purchase is not a contract until all terms and conditions have been agreed to in writing by the Buyer and Seller. The terms of a Contract of Sale cannot be altered after it has been accepted by all parties unless mutually agreed upon in writing by the Buyer and Seller. Therefore, the Buyer is advised that any contingencies or conditions of the sale should be a part of the original offer. The accepted Contract of Sale is a legally binding and enforceable document.

EQUAL HOUSING. The Property is offered in compliance with Title VIII of the Civil Rights Act of 1968 (as amended by the Fair Housing Amendments of 1988) and applicable Maryland and local laws with respect to race, color, sex, religion, national origin, physical and mental handicaps, familial status, age, sexual orientation, marital status and such other protected classes.

AIRPORTS, AIRSTRIPS & HELIPADS. Buyer acknowledges that there are properties located within a three (3) mile radius of airports, airstrips, heliports or helipads and it is the Buyers' responsibility to review any appropriate maps, plans or other information which they deem appropriate prior to entering into a Contract of Sale. The Frederick Municipal airport is located at 111 Airport Dr. E., Frederick, MD.

FREDERICK COUNTY RIGHT TO FARM ORDINANCE. The Frederick County Right to Farm Ordinance (Frederick County Ordinance #96-23-175) requires the inclusion of the Right to Farm Disclosure Statement as a part of all Contracts of Sale for real property within Frederick County.

HAZARDOUS MATERIALS. There are many hazardous materials (i.e., asbestos, radon, underground storage tanks, etc.) that could affect any property. The Brokers and their agents will generally have no knowledge of these hazardous materials and do not have the technical expertise to ascertain or advise you of their presence or significance. It is the Buyer's responsibility to consult any experts they deem appropriate prior to entering into a Contract of Sale.

HOME WARRANTIES. A limited warranty may be available for purchase on the Property. Such limited warranty may provide some financial reimbursement in the event certain named components and or appliances become inoperable or fail during an agreed upon period of time (usually one year from settlement).

SETTLEMENT. All persons to be in title and/or responsible where a mortgage is to be created should be present at the time of settlement and will be required to provide photo identification. A lender usually requires, prior to settlement, a fully paid insurance policy, termite and other certifications when improved property is being purchased. The Buyer should have wired funds, bank check, or certified check for payment of estimated settlement costs and balance due under the Contract of Sale. If uncertain of the amount, Buyer should contact the settlement company 24-48 hours before settlement. Buyer should establish utilities in Buyer's name commencing with the day of settlement or occupancy.

MASTER PLANS AND ZONING ORDINANCES. Buyers have the right to review any applicable master plans, zoning ordinances, or other maps and information relating to planned land uses, roads, highways and the location of parks and other public facilities affecting the property. In addition the Buyer should check historic district guidelines and disclosures, if applicable. This information may be found at most local, county or state offices such as the Parks and Recreations, Planning and Zoning, etc.
